

11th Annual Plunge and Plunge Challenge

Information & Sponsorships

To raise money for Kids in the Creek and environmental education programs.

The Plunge: Saturday, February 11th, 2023

Location: Champion Credit Union Aquatic Center (Canton Pool); 77 Penland St, Canton, NC 28716.

The Plunge Challenge: Anywhere & Anytime

Once a year for the past 24 years, every 8th grade public school student in Haywood County descended on the Canton Recreation Park for a hands-on learning experience unlike any other. It's called **Kids in the Creek** and is consistently one of the more memorable experiences students have from middle school. Kids in the Creek exposes students to water quality through four stations – water chemistry, the EnviroScape stormwater model, benthic macroinvertebrates, and fish. The last two subjects are immersive, as each student dons full waders and conducts a fish shock/count and captures macroinvertebrates with nets by traversing the Pigeon river. Subject experts guide and educate students in each field, with an emphasis on local habitats and ways to protect our watershed.

The Plunge is a community event, bringing together public officials, schools, businesses, churches, and many others to support kids. It features a "plunge" (or a run) into the Champion Credit Union Aquatic Center (Canton Pool). How deep folks go (ankles, chest, or full immersion jump off the diving platform) is a personal choice, but depends a little on courage and a lot on spectator persuasion. Costumes welcome and prizes awarded for best costumes and top individual and team fundraisers. We are also offering the Plunge Challenge, where the participants can pick the time and location of their convenience (tub, ice bucket, Lake Logan, etc.).

How Can You Help?

Show your community spirit and sponsor Haywood Waterways' Plunge. It's a great way to promote your business and support youth education.

\$250 – Stonefly Sponsorship
